

Indigenous Arts Project Grant General Expert Panel Comments

Comments made by the expert panel during its assessment of applications submitted to the September 1, 2017 deadline are outlined below. Please note that these comments provide a summary of the Expert Panel's assessment and do not necessarily relate to every application submitted to this deadline. **The Expert Panel does not provide individual comments.**

- 1 The expert panel would like to thank all applicants for putting in the hard work, and taking the opportunity to apply. We recognize your efforts are having an impact on the whole of our community.
- 2 The jury felt it was important to support projects that genuinely benefited or incorporated partnerships or had broader community involvement.
- 3 Be accurate and honest when disclosing project costs.
- 4 We encourage you to continue to create your art and apply again in the future.
- 5 Please share this Indigenous grant funding opportunity with others.
- 6 Support material that demonstrates previous artistic activity is essential to the panel's assessment of each project. Applications that lacked adequate support material were difficult to assess.
- 7 Please recognize the importance of cultural protocols. The expert panel appreciated budgets where elders and other community facilitators were properly compensated.
- 8 Please explain the impact of your project on your artistic career, the development of the discipline, and the communities involved.
- 9 The panel appreciated applications that were written for a project, rather than projects that were written to access a grant.
